Comments from Outgoing Board Member - Bob Bland

When the Westby Norse Fund was formed 21 years ago, the initial goal was to raise enough money to be able to award 2 or 3 scholarships to the class of 1988. Beyond the first year, the goal was to make the Fund grow and to increase the number of awards each year.

Because the original board members had this shared vision, the Norse Fund has since prospered and reached a milestone in 2008. The total dollar amount of scholarships awarded since inception reached the \$750,000 mark this spring. The total number of graduates touched by these awards is in excess of 450. I think those are some pretty amazing numbers for a high school of our size serving three small communities.

As I complete my 12th year on the Board of Directors and reflect back on the success of the Westby Norse Fund, there are a few things I would like to mention. First of all, we should recognize Russell Holte for his efforts in making this organization what it is today. Russell was one of the original Norse Fund directors, and his efforts in the early years – from folding and sorting newsletters, to contacting potential donors, to handwriting thank-you notes – laid a solid groundwork for the organization to grow from. Thank you, Russell!

I would also like to thank everyone who has ever made a donation to the Norse Fund. Large or small, your gifts are what make the Norse Fund special. There have been several major donors over the years that have made a huge impact on the size and number of scholarships that are awarded each year. Just as important are the smaller gifts, or the “onesies and twosies” that are received every month. Each donation, regardless of the amount, makes a difference.

Even though the Westby Norse Fund has been successful in its first 21 years, the continuing support of friends and alumni is still needed. The costs of higher education increase every year, and the deserving scholars of WHS need our help even more than ever. I would urge each of you reading this newsletter to consider a donation at some point in time. Thanks for listening.

Comments from 2008 Norse Fund Award Recipients

Hello, I'm Tanya Larsen, a 2008 graduate from Westby High School, and one of many graduates who has benefited from the generosity of the Norse Fund. I received the Dorothy A. Bekkum Memorial Scholarship, and I'm extremely grateful for the scholarship and for the Norse Fund in general. This upcoming school year, which is rapidly approaching, I will be attending the University of Wisconsin – La Crosse. Currently, I am only focusing on my general education courses, but plan on pursuing a career in the medical field. The scholarship will be used to help with the cost of tuition.

I would again like to thank the Norse Fund for the many generous scholarships that help Westby graduates with the costs of attending college. As a result of the Norse Fund, many students like me are able to attend the school of their choice.

Tanya Larsen 2008 Westby Graduate

Dear Norse Fund Donors...

I cannot explain with words how thankful I am to those who have graciously played a role in my successes and accomplishments within the last year. I know money shouldn't be a factor in achieving success, but in my case the scholarship I received helped cover expenses I otherwise would not have been able to do on my own. For example, I was able to buy books for school, pay for tickets at the Fine Arts Center when it was required to see a play or speaker, and purchase other supplies related to my education. I did not have to worry about picking up extra shifts at my job and could focus more on my homework and studies. For the last year and a half I have worked at a group home. Although I love my job, I appreciate not having to stress ranking in hours over my study time.

Since you have chosen me as a scholarship recipient, I'd like to tell you what I've been doing since last year. My freshman year at Viterbo went well, and I made the Dean's List both semesters. I also used my free time between classes to help out the La Crosse community. I became a "big sister" for the Big Brother - Big Sister foundation and spent three hours each week with my "twelve-year-old brother," playing tennis, roller skating, or eating a five dollar pizza at Little Caesars. We try to make the best of time when together. I also am a member of the Coulee Re-

gion Literacy Council and tutor an outstanding individual with a minor developmental disability one hour a week. We read books, play word games, work on spelling, draw pictures, and sometimes take a trip out to Riverside to play Frisbee for a break. I also try to help out the Salvation Army at Christmas time and with the holiday meals served at the Boys and Girls Club.

Attending classes, studying, and volunteering leave little room to enjoy my personal activities. Fortunately, with the monies from my scholarship, I am able to stress less about paying the many college fees and avoid spreading myself too thin. Thank You So Much Norse Fund! And I will do my absolute best not to disappoint those who trust me to use this opportunity wisely.

Kristin Bahr 2007 Westby Graduate

Westby Norse Fund Newsletter 2008

There are Four Different Ways to Contribute to the Norse Fund:

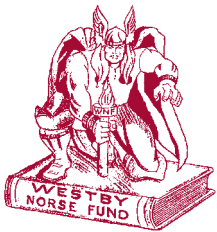

1. Unrestricted Contributions

Most of our funds are received by donations made by friends of the Norse Fund with no restrictions made on how their contribution is to be used. This type of donation allows the Board to use the monies received in any way that benefits the Norse Fund.

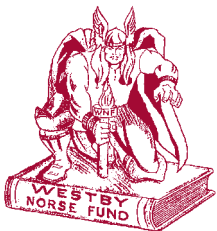

2. Flow-Through Contributions

Flow-through contributions are funds of \$500 or more that the donor wants to be awarded to one or more students. These types of contributions have to be communicated to the Board by March 1st, and funds have to be received by May 1st to be awarded at the Spring Award Presentation. Minimum amounts are generally \$500, but other amounts may be considered.

3. Time-Restricted Contributions

These types of contributions are a form of restricted funds that the donor wants the Norse Fund to hold and award over time. Time-restricted contributions have to be at a minimum of \$1,000 but can be for larger amounts. The Board holds these funds and awards a minimum of \$500 each year to one or more students.

4. Permanently Restricted Contributions

Permanently restricted contributions are also called endowed contributions. This is where a donor contributes a larger sum of monies that is invested to yield an amount that is annually awarded to one or more students.

From time to time, the policies on permanently restricted minimum contributions and yields have changed. This policy changes as investment yield changes, but once the Board accepts a sum of monies and sets a yield rate that obligation (scholarship) does not change.

Presently, the minimum permanently restricted contribution is \$8,000 at a yield of approximately 6 percent, which equals a minimum annual award of \$500 to a student.

In summary, if you have an interest in one of these types of contributions, or if you have an idea that you want the Norse Fund to consider, please contact Ken Manning, Principal of Westby Schools at (608) 634-0103 or Robert Bland at (608) 634-3920.

Thank you for all your past interest in the Norse Fund, and whether your contribution is a current contribution or a bequest in your estate, the Norse Fund will work with you to try to accomplish your goals.

The first Westby School was private, with Emilee Westby as teacher. It was upstairs over her father, Ole's, general store. Later, after Ole, it became a Hardware store, now the location of Corner Mechanics. Picture taken before 1900.

Comments From A Scholarship Donor

I taught in the Westby Area School District for 26 years and had the unique opportunity to personally see the impact that Norse Fund scholarships had on our graduating seniors. After witnessing this first-hand, I made a commitment to establish a Norse Fund scholarship in honor of my mother and father, Edward and Anna Kerska. They realized the importance of a good education and provided that opportunity for me and I wanted to do the same, in their memory, each year, for a couple of graduating seniors at WAHS.

I was blessed with a great career in education for over 36 years and, by providing these scholarships, am able to give back in return for what I received. There is a great deal of personal satisfaction in knowing that you have provided assistance to worthy students so that they can realize their dreams. I would encourage anyone who has thought about donating to the Norse Fund to do it! The rewards are immeasurable!
