Thank you to all alumni of Westby High School as well as friends of the Westby Norse Fund. It is your financial support that makes this organization so great and gives it the opportunity to do so much for the graduating students. This fund is dependent on your donations and with your continued support we will be able to maintain a high level of support to students. This is vitally important with the cost of college increasing every year. It is our hope that we can soften the financial burden to future students and give them the opportunity to reach their goals in life.

This past year, the Norse Fund's awarded **42 scholarships** totaling **\$59,600.00**, which is the highest amount distributed yet. This is an outstanding accomplishment and a great asset to our communities and their students. These were all made possible through private donations to the organization from concerned alumni or friends.

Please consider donating to the Norse Fund, either as a memorial or in honor of an individual. Information for donating to the Norse Fund is available at the Westby High School office, Fortress Bank or WCCU; by contacting any board member; or send a request for an envelope to: Norse Fund Box 45, Westby, WI 54667. Or visit our new web site at www.norsefund.org.

I would like to thank **Cedric Veum** for his many years as a board member as well as his leadership in his role as President. His good business sense is one of the reasons that this fund has grown to the level it has, and his presidential leadership has moved the organization steadily forward. **Roy Green** also deserves thanks for his many years of support as a board member and for his work to coordinate the many activities through the high school. Both of these individuals have given many hours of their personal time, and they should be greatly appreciated by all for their work with the Norse Fund.

Thank you to all donors, for your contributions have made all of this possible!

Comments from Norse Fund Award Recipients

One year ago today, I was not so sure about this whole "college" deal. I figured I would attend high school forever. Graduation was somewhere out on the horizon, but not a pressing subject. Surprise, surprise! Here I am, well into the year of vigorous study at Concordia University Wisconsin. It took effort to come to this point, and the scholarship I received from the Norse Fund truly helped me achieve my goal of attending the college of my choice.

I adore Concordia. My classes are compelling, the professors are wonderful to work with, and the cafeteria food is usually quite tasty. Studying keeps me busy, but I have also joined a few extra curricular activities, including the drama club. The only details I have not adjusted to are wearing blue instead of red at football games and cheering for Falcons rather than Norsemen!

I am so happy I was awarded a scholarship from the Norse Fund because it allowed me to truly experience

the "college life." Had I not received your scholarship, I would have had to work between classes. I could not have joined clubs or seen games and possibly would have been a poor student due to overworking as well. It is no small feat gathering the funds necessary to attend any college, let alone a private university, but the Norse Fund helped make my dream a reality. Thank you for the scholarship!

Loni Olstad *2006 Westby Graduate*

As the salutatorian of the graduating class of 2006, I was awarded the Bekkum Memorial Scholarship. The scholarship is worth \$8,000, with funds arriving in increments of \$2,000 annually for four years. To receive the donations I must provide a class schedule as proof of enrollment. I have already been granted the first installment of this generous award by verifying my enrollment at the University of Wisconsin-Madison.

Elevated tuition costs have compounded the value of the Bekkum family's donation. The money was used in its entirety towards tuition, and I plan on applying the Bekkum Memorial Scholarship in the same manner each fall. My student loans will be less weighty once I have graduated thanks to the generosity of the Bekkum family.

As I have mentioned, I am currently enrolled at the University of Wisconsin-Madison. I am classified as an engineering major, but I endeavor to attend medical school after obtaining a bachelor's degree. I would like to thank the Bekkum family for their continued support of post-secondary education, and to thank them personally for selecting me as the recipient of their charitable award. On behalf of other Norse Fund scholarship recipients, I wish to thank to all of the sponsors. A scholarship is a terrific advantage, and each recipient is grateful for your continued support. Thank you,

Jordan Urbanek *2006 Westby Graduate*

I graduated from Westby High School last spring and am currently attending the UW in Madison to pursue a career as a Physician's Assistant. I was honored to be chosen as the recipient of the Paul Mockrud Memorial Scholarship. The money has been very helpful for my education. It went towards my first semester textbooks as well as my tuition. I love the University and all of the opportunities offered here. Thank you for the wonderful gift! I really appreciate your generosity and the scholarship has certainly helped to further my education.

Welcome New Board Members

Two newly elected directors to the Norse Fund Board were seated at the November 1, 2006 Annual Meeting. First, **Roger Harris**, recently retired Westby Middle School Principal and former WHS English teacher joined the board. Many readers of this newsletter have probably had Roger as a teacher and know his dedication to education. We welcome his insight to the Norse Fund Board.

Also, **Rick Rugg**, employed as a national sales representative with Bou-Matic Dairy Equipment, joined the Board. Rick will bring his advice and skills to the Board as well as being a parent of four WHS graduates.

We welcome both Roger and Rick to the Norse Fund Board!

NEW WEB ADDRESS

The Norse Fund now has a new way to communicate with its alumni and friends. Please visit us at www.norsefund.org. While this site is new and changes are still being made, it will be a place to get information on donating to the fund as well as finding out what activities are happening. Also, this will give us an opportunity to lower some publication and mailing costs, thus allowing us to give even more to deserving students in the years to come. Thanks to Westby High School and the staff for hosting the site as well as maintaining it and keeping it current.

Westby Norse Fund Newsletter 2006

THERE ARE FOUR DIFFERENT WAYS TO CONTRIBUTE TO THE NORSE FUND:

1. Unrestricted Contributions

Most of our funds are received by donations made by friends of the Norse Fund with no restrictions made on how their contribution is to be used. This type of donation allows the Board to use the monies received in any way that benefits the Norse Fund.

2. Flow-Through Contributions

Flow-through contributions are funds that are \$500 or more that the donor wants to be awarded to one or more students. These types of contributions have to be communicated to the Board by March 1st and funds have to be received by May 1st, to be awarded at the Spring Award Presentation. Minimum amounts are generally \$500, but other amounts may be considered.

3. Time-Restricted Contributions

These types of contributions are a form of restricted funds that the donor wants the Norse Fund to hold and award over time. Time-restricted contributions have to be at a minimum of \$1,000 but can be for larger amounts.

The Board holds these funds and awards a minimum of \$500 each year to one or more students.

4. Permanently Restricted Contributions

Permanently restricted contributions are also called **endowed** contributions. This is where a donor contributes a larger sum of monies that is invested to yield an amount that is annually awarded to one or more students.

From time to time, the policies on permanently restricted minimum contributions and yields have changed. This policy changes as investment yield changes, but once the Board accepts a sum of monies and sets a yield rate, that obligation (scholarship) does not change. Presently, the minimum permanently restricted contribution is \$8,000 at a yield of approximately 6 percent which equals a minimum annual award of \$500 to a student.

In summary, if you have an interest in one of these types of contributions, or if you have an idea that you want the Norse Fund to consider, please contact Ken Manning, Principal of Westby Schools at (608) 634-0103 or Board Treasurer, Robert Bland at (608) 634-3920.

Thank you for all your past interest in the Norse Fund, and whether your contribution is a current contribution or a bequest in your estate, the Norse Fund will work with you to try to accomplish your goals.
