## Returning To My Roots

WHS is all but unrecognizable to someone who has not set foot inside the doors since 1964. To my surprise, the new gym then is the old gym today!! The new facility is tremendous.

My wife, Mary, and I were visiting Westby this fall for my 45th WHS Reunion. The high school Guidance Counselor was kind enough to give us a thorough tour of WHS. We could not help but be impressed with the facility, the faculty and the staff we had a chance to meet. We left with confidence that a high quality education is being delivered to all those willing to receive it. Our decision to develop a personal scholarship program was reinforced many times over.

The Norse Fund and the WHS's Guidance Counselor were willing to work with me to establish a scholarship program that enables me to pursue my passion to increase awareness and commitment to careers in scientific and technical areas that are unfortunately on the wane in the U.S. The cooperation I received was outstanding. I am permitted to review scholarship applications for the graduating seniors, and with Guidance Counselor assistance, select a recipient for our 4 year scholarship that fulfills our requirements. I then am able to establish a non-intrusive relationship with the scholar, keeping tabs on their college experience and making sure we are on track to continue with awards for 4 years. The return to my roots, the personal attachment to the student, the paying back to where I believe the need resides, the satisfaction of doing something that is personally appreciated and the excitement of observing a successful college student seeking their goals all add up to a huge personal satisfaction for us.

### Comment from 2009 Norse Fund Award Recipient

My name is Molly Olson and I am a freshman at UW-La Crosse. My plan is to major in Biology with a Biomedical science concentration and minor in Spanish. The Norse Fund scholarship is an immense help for me in paying for tuition. I am very appreciative of this scholarship's existence and all who support it.

### Comment from 2009 Norse Fund Award Recipient

The Norse Fund scholarships are a great asset to Westby Seniors. Many scholarships are made available to a very wide and diverse group of students, and that's what makes the Norse Fund so great. You don't necessarily have to be a top five student to still earn a great scholarship. The scholarship money I received from the Norse Fund has helped me a great deal in my first year at college. The money can help a student in a very wide variety of ways, ranging from helping with tuition, to purchasing something as simple as clothes hangers, to helping pay for school supplies, or even putting some of the money towards a new computer. Without the Norse Fund many of the items I have at college that make the transition easier would not be available to me.

## There are Four Different Ways to Contribute to the Norse Fund:

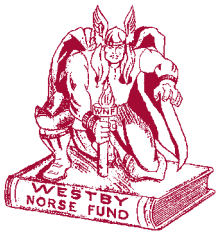

### 1. Unrestricted Contributions

Most of our funds are received by donations made by friends of the Norse Fund with no restrictions made on how their contribution is to be used. This type of donation allows the Board to use the monies received in any way that benefits the Norse Fund.

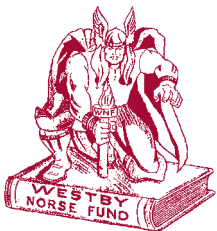

### 2. Flow-Through Contributions

Flow-through contributions are funds of \$500 or more that the donor wants to be awarded to one or more students. These types of contributions have to be communicated to the Board by March 1st, and funds have to be received by May 1st to be awarded at the Spring Award Presentation. Minimum amounts are generally \$500, but other amounts may be considered.

### 3. Time-Restricted Contributions

These types of contributions are a form of restricted funds that the donor wants the Norse Fund to hold and award over time. Time-restricted contributions have to be at a minimum of \$1,000 but can be for larger amounts. The Board holds these funds and awards a minimum of \$500 each year to one or more students.

### 4. Permanently Restricted Contributions

Permanently restricted contributions are also called endowed contributions. This is where a donor contributes a larger sum of monies that is invested to yield an amount that is annually awarded to one or more students. From time to time, the policies on permanently restricted minimum contributions and yields have changed. The current Permanently Restricted Contribution levels are:

- \$ 5,000.00 Contribution = \$250.00 Scholarship
- \$ 7,500.00 Contribution = \$375.00 Scholarship
- \$10,000.00 Contribution = \$500.00 Scholarship

Upon acceptance of the money the board will not change the scholarship amounts.

In summary, if you have an interest in one of these types of contributions, or if you have an idea that you want the Norse Fund to consider, please contact Ken Manning, Principal of Westby Schools at (608) 634-0103 or Robert Bland at (608) 634-3920.

Thank you for all your past interest in the Norse Fund, and whether your contribution is a current contribution or a bequest in your estate, the Norse Fund will work with you to try to accomplish your goals.

### Past and Future

This year was a real rollercoaster for the Norse Fund. I don't have to remind anyone that the economy and market performance was and continues to be a real challenge. I think that the board did a good job with the investments this year in spite of everything. Prior to the market downturn we rearranged and diversified some of the investments and made some changes to our professional investment management. This took away some of the pain that many of us have seen with our personal accounts. With that said, we did see some unrealized market loss in the portfolio, but it was not as bad as it could have been and we hope a recovery is coming in the near future.

This year we were within \$1,100.00 of the highest amount ever given out in scholarships. We gave out 39 scholarships totaling \$62,500.00. We hope to be able to maintain that level or do better in the future. To do this, we will need some help from alumni. Recent market returns on our investments are not keeping pace with our award goals and it doesn't look good for the next few years. I would invite each of you, my fellow alumni, to consider the Norse Fund as a destination for some of your tax deductible donations. I think that no matter where you live now or what you do for your profession, we can all think back and thank Westby Area Schools for helping us. Giving to graduates is one way of doing that.
