Norse Fund Web Site (www.norsefund.org)

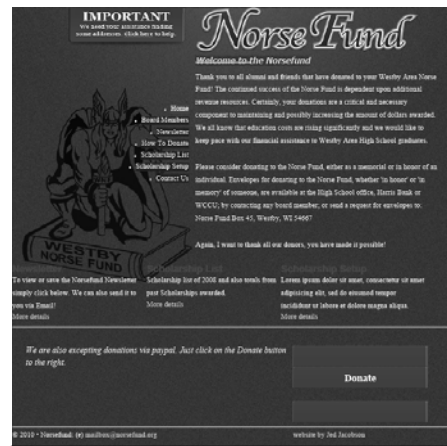

When we rolled out our new website last year, we immediately started to get updated addresses and donations on it. We also started to see our Facebook page get a little attention as well. Not surprising is the fact that alumni from all ages are using the internet and social networks to keep in touch with each other. We want to use these tools to keep in touch with you as well.

One of the most valuable services that we can provide to you is updated addresses for your reunions and other reasons. We keep our list as current as we can. These are free to you. The only thing we ask is that you update the list, return it back to us, and mention the Norse Fund and how we give back to our future alumni through scholarships. We also keep a list of alumni with missing address or those whose newsletters are returned due to wrong addresses. Please visit our website, look at the list, and send us any that you have. **Also, please send us any email addresses that you have so we can save postage and go a little more green when we send out our newsletters.** The better our data is, the easier your reunion planning is.

A DREAM COME TRUE

Westby 41, Denmark 19. So ended our 1978 championship football season. After cancellation of our first game with Cashton because of the loss of our beloved friend, Jeff, we dedicated all our efforts to him. We went undefeated in all seven conference games, thus capturing the Coulee Conference crown. After defeating our arch rival Viroqua, 15-12, we headed to the Division IV State Semifinals. There we played Granburg in a hard fought battle at Carson Park in Eau Claire. The vigorous training and the numerous hills helped us pull out a victory that day. One week later we traveled to Stevens Point for the Division IV State Championship. Perhaps we could have beaten any high school team that day for we played our best game of our entire lives against Denmark.

Westby Norse Fund Newsletter 2011

There are Four Different Ways to Contribute to the Norse Fund

1. Unrestricted Contributions

Most of our funds are received by donations made by friends of the Norse Fund with no restrictions made on how their contribution is to be used. This type of donation allows the Board to use the monies received in any way that benefits the Norse Fund.

2. Flow-Through Contributions

Flow-through contributions are funds of \$500 or more that the donor wants to be awarded to one or more students. These types of contributions have to be communicated to the Board by March 1st, and funds have to be received by May 1st to be awarded at the Spring Award Presentation. Minimum amounts are generally \$500, but other amounts may be considered.

3. Time-Restricted Contributions

These types of contributions are a form of restricted funds that the donor wants the Norse Fund to hold and award over time. Time-restricted contributions have to be at a minimum of \$1,000 but can be for larger amounts. The Board holds these funds and awards a minimum of \$500 each year to one or more students.

4. Permanently Restricted Contributions

Permanently restricted contributions are also called endowed contributions. This is where a donor contributes a larger sum of monies that is invested to yield an amount that is annually awarded to one or more students. From time to time, the policies on permanently restricted minimum contributions and yields have changed.

The current Permanently Restricted Contribution levels are:

\$ 5,000 Contribution = \$250 Scholarship

\$ 7,500 Contribution = \$375 Scholarship

\$10,000 Contribution = \$500 Scholarship

Upon acceptance of the money the board will not change the scholarship amounts.

The Benefits of Your Donation

Your donation to the Westby Norse fund will result in the following benefits:

- Your donation will help provide scholarships to students to further their education.
- You or your estate may receive significant tax deductions from these donations.
- Donations can be made as a Memorial of a friend or loved one or In Honor of someone special.

For more information concerning the Norse Fund or how you can make a donation, contact:

Message From WHS Superintendent

Dear Norse Fund Supporters,

First, let me introduce myself. My name is Chuck Norton and as of July 1st, 2011 I assumed the responsibility of District Administrator for the Westby Area School District. As I work to not only establish leadership and vision to the Westby Area School District, it is also my mission to engage the public in the on-going challenge to provide Westby area children and young adults the very best education possible. Such an education takes a collective effort of all dedicated stakeholders committed to the cause.

You, as supporters of the Norse Fund, help make the final steps in the educational dreams of our students a reality. I am honored and proud to work alongside you as we work to continue the Norse Fund tradition. As I continue to assume my new responsibilities in your district I invite your comments and input. Please feel free to contact me at any time.

Once again, on behalf of myself and the Westby Area as a whole, I thank you for your continuing support of our students.

Charles Norton, Ed.S
Superintendent
Westby Area School District

CHANGES IN BOARD MEMBERSHIP

Rod Olson will complete his second and final term on the Board this November. Rod has served five years as Board President, and his technological expertise and previous managerial experience have been invaluable assets through these difficult economic times. Despite his busy schedule, Rod has spend countless hours working to improve the communications between the Board and the alumni and friends of our local schools. On behalf of my colleagues, I would like to thank Rod for his wonderful service and wish him well as he continues to serve our community in other ways.

Cedric Veum has graciously consented to rejoin the Board. Cedric previously served in leadership roles and will bring a wealth of knowledge and experience to the group. We welcome Cedric and look forward to serving with him during the upcoming year.

Since its inception in the late 1980's, the Norse Fund has distributed nearly one million dollars in scholarships to our high school graduates. Each year the Board strives to assist as many worthy students as it possibly can. Please continue to consider the Fund and the benefits it provides directly to graduates. Your donations enable the Board to continue the good work which has benefited hundreds of previous graduates of Westby Area Schools. Our heartfelt thanks go out to all who have previously donated.

Roger Harris

Westby Norse Fund Newsletter 2011

My college experience so far has been nothing shy of amazing. I love the atmosphere, the people, the professors. I am attending Viterbo University for an undecided major but I am minoring in dance. Being a private catholic university, we are required to take a religion seminar every year we are at Viterbo. My seminar this semester is about finding your calling through the Franciscan way. Some of my other classes are mostly general education classes such as English 103, Intro to Ethics, and Trigonometry. I am also taking a dance class to go towards my minor. I am about to audition for the Dance Team here at Viterbo, but the clinics and actual auditions will be held in a week or so. I am also in the Nutcracker Ballet in collaboration with La Crosse Dance Centers and Viterbo University Fine Arts Center. I will be dancing the role as one of the Sugar Plum Fairies.

I am very grateful for the scholarship money I was awarded through the Norse Fund. I have used it to put money on my I.D. card, pay for books, and for various college expenses. Being awarded the scholarships that I did was a true sense of accomplishment. Thank you again for the generous scholarships, they were put to good use.
Dani Nelson

Endowed Scholarships Keep Coming In

Thank You to the additional Endowed Scholarship Contributions that we received this year. Each year a few very generous alumni and friends give \$10,000 or more to ensure that a scholarship - "In Memory" or "In Honor" of a special person or group. This is a great way to easily keep their philanthropic legacy living on for years to come.

During our school years we are repeatedly asked, "What do you want to be when you grow up?" Well, now that I am grown, the answer to the question seems more complex than I ever imagined. With countless universities and careers to choose from, the road to picking the right college for me was stressful and long. After much consideration, advice, and reflection, I decided to attend the University of Wisconsin-La Crosse. As an eighteen-year-old college student I am definitely not "all-knowing", so my major is still left to decide but I do know I will be majoring in the business field.

The Norse Fund scholarship money I received will assist me in tremendous ways. I have already learned that college is extremely expensive and every extra contribution counts. I plan to use the Norse Fund scholarship I received as part of my tuition payment. It is gratifying to earn extra money and know that our small community supports all of its students. Earning money from the Norse Fund and being recognized for all of my hard work throughout my high school years is extremely rewarding and gives me a sense of accomplishment. I greatly appreciate the support, and it is so wonderful to live in a small community where everyone cheers you on every step of the way. Thanks again, Marissa Bahr

Westby Norse Fund Newsletter 2011

I've enjoyed being on the Norse Fund Board for the last 6 years and serving as President for many of them. In those past few years we have accomplished many things to strengthen the organization financially and hopefully done things to modernize and give us a little more exposure. What I'm most proud of is being able to keep giving to deserving students through these past difficult economic times. The volunteer work that the board does goes mostly unnoticed. They all spend many hours keeping track of investments, donations, alumni and other operations such as this newsletter, not to mention the hours of public relation time that is intertwined with their personal time. Good Luck to the board and thanks to all that donate to this organization.

Major Donors Wall of Fame

This year we started the process of updating our tribute to our major donors. On the left is the wall of fame that is currently in the high school business office entrance. We feel that all of the donors current and past need to be thanked in a more public place with more exposure. On the right is our new marquee plaque that is on display in the lobby of the new field house. Work is being done on the other plaques that will be updated with all the major donors. The picture does not do this work of art service as it is oak with laser engraving. The wording reads "Rewarding Academic Excellence Through Scholarships Since 1988 www.norsefund.org"
