## Wall of Honor

Many may remember the wall by the entryway across from the high school offices as the tall wall covered with Norse Fund plaques, referred to as the Norse Fund "Wall of Honor". The picture plaques were honoring major Norse Fund contributors and one time memorials over one thousand dollars. Since the Westby High School underwent renovations this past summer, the wall as we remember, had to be displaced.

The Board of Directors decided that to perpetuate the "Wall of Honor" so that everyone could revisit it or view it for the first time, we needed to be proactive and make it available on our website as a slideshow and also on Facebook. Also, the plaques can actually be read as some were so high on the wall, they were not easily readable. This is an endeavor we hope to have in place by the time you receive this newsletter. The process requires photographing all the plaques and certificates, organizing them, having the website modified to include the slideshow and posting of the slides on Facebook or at least a link to the website from Facebook. We thank Steve Bland for photographing the plaques and certificates and making the slideshow. Currently, the website changes are being negotiated.

The overall costs to implement these technological changes are being funded by an anonymous alumnus to whom we are indebted for helping motivate these changes.

To anyone or group seeking to honor a deceased or living teacher, classmate, coach, administrator, fellow Westby Area Schools Alumni or a proponent of Westby Area education, a one thousand dollar donation to the Norse Fund general fund allows the naming of such an individual to the Norse Fund "Wall of Honor." In addition to the funds, a picture and a brief description of the honoree is requested so that proper recognition can be given. They would then be included on the Norse Fund website under the Norse Fund "Wall of Honor" and displayed on the Field House plaques for one year.

## Comments from Norse Fund Board President Cedric Veum

It continues to awe me by the support we receive from alumni and friends to help provide the funds for scholarships awarded each year by the Norse Fund. This year for example, we received an additional generous contribution from Richard Perkins in honor of his 65th class reunion and Daniel Olson (WHS '66) initiated two \$1000 scholarships. We must always remember that any amount donated is greatly appreciated and particularly so by the scholarship recipient as they make their journey through the post secondary education years.

Each year, two members of the Norse Fund Board of Directors terms expire. They are eligible for re-election if it is their first 3 year term and not eligible if it is the end of their second consecutive term until there is a break in service of at least a year. **Kari Bye** has completed her second consecutive term and will leave the board. As a board member, Kari has served as Secretary for many years and we thank her for the numerous hours and dedicated service she provided these past 6 years.

**Bob Bland's** term also expires, but since this is his first 3 year term, he has agreed to serving an additional 3 years. Bob has faithfully served as the Treasurer for most of the 15 years he has served on the board as he had two previous 6 year terms. Bob is the key person with the financial accounting and an endless source of knowledge of the workings of the board. It is great to have a person of his experience and commitment serving on the Norse Fund.

Although he is the new board member, **Roger Harris** is rejoining the board after a one year break. Roger has served as President of the board and we welcome him back as he will provide additional guidance as we move forward.

Also new to the board is **Karl Stoker** as he replaces **Ken Manning** in the Westby High School Principal position. We want to thank Ken for his many years of service and wish him well in his retirement from Westby Area Schools. We certainly welcome Karl as the new WHS Principal liaison to the board.

Speaking on behalf of the Board, we feel honored to be representing the alumni and friends of Westby High School on the Norse Fund. If you have any comments, concerns or support you are willing to share to enhance the Norse Fund, please feel free to contact any board member. Not to be forgotten, **Thank You** for making the Norse Fund such an asset to our community!

## Comment from Past Norse Fund Award Recipient

I would like to thank the Norse Fund committee for managing the scholarship fund for Westby Area High School. These funds help Westby students obtain their dream of continuing their education at a secondary school. I am especially grateful for the Bekkum scholarship and the Southern scholarship. These two scholarships have certainly helped in paying for my education.

I am currently a junior at UW-Madison and am pursuing a degree in Agricultural Business Management. The Southern scholarship was used toward my tuition at Madison for this year and has been used for tuition every year. It will cover the majority of my tuition costs. The Bekkum scholarship funded a two week class on international trade to Mexico last summer. This year, I am hoping to study abroad through the University's programs during the summer and will use the Bekkum scholarship to help fund my experience. I am very active with many student organizations on campus and with the scholarships I am able to enjoy them without having to worry about paying for bills.

Again, I can't thank you enough for the Norse Fund scholarship. These scholarships are helping me to reach my goal to become a productive, knowledgeable individual at UW-Madison. Please continue to help the Westby Area students with these funds. Go Badgers!!!

## There are Four Different Ways to Contribute to the Norse Fund:

### 1. Unrestricted Contributions

Most of our funds are received by donations made by friends of the Norse Fund with no restrictions made on how their contribution is to be used. This type of donation allows the Board to use the monies received in any way that benefits the Norse Fund.

### 2. Flow-Through Contributions

Flow-through contributions are funds of \$500 or more that the donor wants to be awarded to one or more students. These types of contributions have to be communicated to the Board by March 1st, and funds have to be received by May 1st to be awarded at the Spring Award Presentation. Minimum amounts are generally \$500, but other amounts may be considered.

### 3. Time-Restricted Contributions

These types of contributions are a form of restricted funds that the donor wants the Norse Fund to hold and award over time. Time-restricted contributions have to be at a minimum of \$1,000 but can be for larger amounts. The Board holds these funds and awards a minimum of \$500 each year to one or more students.

### 4. Permanently Restricted Contributions

Permanently restricted contributions are also called endowed contributions. This is where a donor contributes a larger sum of monies that is invested to yield an amount that is annually awarded to one or more students. From time to time, the policies on permanently restricted minimum contributions and yields have changed. The current Permanently Restricted Contribution levels are:

- \$ 5,000.00 Contribution = \$250.00 Scholarship
- \$ 7,500.00 Contribution = \$375.00 Scholarship
- \$10,000.00 Contribution = \$500.00 Scholarship

Upon acceptance of the money the board will not change the scholarship amounts.

**In summary**, if you have an interest in one of these types of contributions, or if you have an idea that you want the Norse Fund to consider, please contact Cedric Veum at (608) 634-4832 or Robert Bland at (608) 634-3920. Forms are available on our website at [www.norsefund.org](http://www.norsefund.org)

Thank you for all your past interest in the Norse Fund, and whether your contribution is a current contribution or a bequest in your estate, the Norse Fund will work with you to try to accomplish your goals.

## Comments from 2013 Norse Fund Award Recipient

My name is Chelsea Daines and I am a 2013 Graduate of Westby High School. I am currently in my first semester of college at Iowa State University in Ames, Iowa. I am majoring in animal science with a pre-veterinary medicine option.

I received scholarships from the Norse Fund, and without these, continuing my education would not have been possible. The Norse Fund Scholarships have helped me in attending my number one choice for college. Tuition is expensive at a division one university, especially because I am paying for my education on my own. The scholarships I received lifted a huge weight off my shoulders in trying to figure out how to pay for school. I will still have loans to help with all my expenses but the Norse Fund scholarships helped cut down on the amount of money I need to borrow and pay back. It is nice knowing that so many people from our community care about high school graduates continuing their education.

I will forever be thankful to the Norse Fund for the opportunities they have allowed me to encounter because of their wonderful scholarships. I am following my dreams of becoming a veterinarian all because of the scholarships I received.

My future plans are to receive my Bachelors of Science Degree here at Iowa State University in Animal Science and then continue on to the Vet School here for another four years to hopefully receive my Doctorate of Veterinary Medicine. I would like to become a large animal veterinarian in the rural Midwest after graduation.

I would like to thank all of the contributors to the Norse Fund Scholarships. Without these scholarships many people would not have the opportunity to seek higher education and pursue their dreams. Your generous donations don't go unnoticed! Thank you for investing in the futures of so many young adults.
